Note contd

The Sajjada of Sri Guru Dattatraya Peeta on the Bababudan Hills has now memorialised His Highness gratefully acknowledging the liberal grant of Rs50/- per mensem sanctioned to the Institution He further states that this amount is found insufficient for the following reasons.

1574/421, dt 15.9.07 slip I

(1) The Darga is growing in importance and attracts both Hindu and Mohomedan devotees daily and more than 12,000 pilgrims for the annual Urus. Increased expenditure is being incurred for the feeding of all these devotees and met partly from the private funds of the Sajjada.

(2) The prices of provisions having also gone high, it is not possible to limit the expenditure within the income derived from the endowment villages and the sum of

GPB—3,000—22-6-06

Rs 50/- recently sanctioned in lieu of the income from the sandal ~~so~~ trees grown on the Durga lands.

(3) The establishment of the Durga has also increased and also the amount required for payment thereto.

The Sajjada further brings to notice that while the income from the disciples is very small, the expenditure on the charities is very high.

In view to remedy this state of things, the Sajjada represents

(a) that the Durga was originally (1799) endowed with the 2 main villages of Somenuppe and Dasarahalli yielding 536 pagodas, that subsequently in the year 1802, on a complaint from the villagers of Dasarahalli, the last-named village was taken over, and instead of it, a cash grant of ₹ 143 pagodas was sanctioned,

but again in the year 1812, the grant of 526 pagodas ("including the yield of Soorsuppe village and the cash grant of Dasarahalli) were confirmed in accordance with the Nirup of H. H. the late Maharaja Krishnaraja Wodeir Bahadur. III. In support of these statements the Sajjada has submitted copies of the various sanads conferring the grants referred to; J, J2, J3.

(b) that in the year 1819, this cash grant of Rs 42 pagodas for the Dasarahalli village was withheld for reasons not known to the Sajjada;

(c) that the stoppage of this grant operated much to the prejudice of the Durga, and the late Sajjada had to incur heavy debts to conduct the services and the feeding satisfactorily;

(d) that the late Sajjada also appealed to Govt. for the restoration of the discontinued grant but without success;

*(c) that though the present Sajjada took every care to improve the finances of the Instn., it is not possible for him to limit the expenditure within the amount now available.

In these circumstances, the Sajjada prays that the discontinued allowance of 143 pagodas referred to above may be revived in favour of the Institution.

The Memorial in question together with a petition addressed to the Private Secretary to H.H. the Maharaja by the Sajjada, has been referred to the Dewan Saheb under cover of the Private Secretary's D.O. of the 27th September 1907. Dy 24 9 07 K.

In the D.O, it is stated that His Highness is inclined to think that the representations of the Sajjada as to the heavy personal expenditure to which he is unavoidably put in feeding the many pilgrims of both religions who resort to the Durga are correct and that

His Highness would be glad if it could be found possible to increase the cash grant of Rs 100/-. It is at the same time remarked that His Highness considers that the Sajjada's misapprehension as to the nature of the existing cash grant should be corrected, as that grant was in no sense granted in consideration of his sandal claim which Govt. declined to recognize.

institution. A cash grant of Rs 50 per mensem was thereupon recommended by the Dewan and was graciously sanctioned by His Highness the Maharaja. The present appeal of the Sajjada of the Darga deserves favourable consideration. The suggestion made in the Private Secretary's D.O. dated 27th Sept. 1907 to the effect that an additional grant of Rs 50 per mensem may be made to this institution, is forwarded to the Financial Secretary to Govt. for favour of opinion.

The Files on the subject are also forwarded for reference and kind return.

There is no financial objection to sanction the proposed increase of grant if the increase is to take effect from the ensuing year, ~~and additional expenditure is incurred~~ - If however effect is to be given in the current year the amount required has to be met by re-appropriation out of the sanctioned grant of the year in the Muzrai budget -

Mużrai Secretary's remarks:—

The Financial Secretary says that there is no objection to include in the next year's Budget, the proposed additional grant of Rs 50/- per mensem and that if the grant is to be made during the current year, a re-appropriation should be suggested from the Mużrai Budget. It is not possible to suggest any reappropriation from the Mużrai Budget as the provisions made therein are all for charges to be actually paid during the year. It is therefore respectfully submitted that the proposed additional grant may be made with effect from 1st July 1908.

A draft order on the above lines is put up.

The above is submitted with reference to the Private Secretary's D.O. dated 27th Sept. 1907.

Paper under disposal

With reference to the Private Secretary's D.O. letter No.33 dated the 27th September 1907, forwarding a memorial from Syed Mrityuja Sha Khadri Sajjada of the Bababudan Darga, praying for the restoration of the annual cash grant of 143 Pagodas to the Darga, which was sanctioned in the year 1802, but was withheld in 1819, I submit for orders the entire file of papers on the subject.

In his memorial Syed Mrityuja Sha Khadri represents that even with the cash grant of Rs.50 per mensem sanctioned by His Highness in order dated 28th July 1906, the income of the Darga is quite insufficient to meet the growing expenditure of the Institution.

Both the Muzrai Secretary and the Second Councillor recommend that the cash grant may be raised to Rs.100 per mensem with effect from the 1st July 1908.

It is not possible at this distance of time to ascertain why the annual cash grant of 143 Pagodas

sanctioned in the year 1802 was discontinued from the year 1819. The Sajjada may be informed that the Government decline to revive a grant withheld so far back as 1819. It may however be observed that a monthly grant of Rs.100 per mensem is equivalent to an annual grant of 825 Pagodas, which is more than 5 times the old grant now sought to be revived.

In the accompanying draft order, the recommendations made above have been embodied and it is also pointed out to the Sajjada that the monthly grant of 50 rupees sanctioned in July 1906 was not granted in consideration of his sandal claim, which had been considered and rejected.

The draft may be approved.

SRI, KRISHNARAJWODIER, BAHADUR, G. C. S. I.,

M A H A R A J A of M Y S O R E.

The humble Memorial of Syed Mrityuja Sha Khadri Sajjade of Sree Guru Dattatraya Peeta of Bababuden Swamy Durga, Chickmagalur, Kadur District,

Most Respectfully Showeth:-

That according to a Sanad of late Dewan Poorniah, dated 30-8-1799, two villages, Viz., Soorguppe & Dasarahalli yielding 526 and odd Pagodas, a year, which were in the enjoyment of the Durga from time immemorial, were confirmed and continude as endowments for its maintenance.

2. That in the year 1802 on a complaint made by the Amildar that the villagers of Dasarahalli were in bad terms with Durga and that the annual yield of the village increasing more than the sum originally fixed in the Sanad, it was ordered that the village may be taken over to Government Management and that, in lieu of it, a cash Inam of 143 Pagodas may be paid to the Durga every year. (Vide Nirupa of 21-1-1802)

3. That again in 1812 the grant of 526 and odd Pagodas a year (including the yield of Soccaguppe and cash grant of Dasarahalli) was confirmed, and ordered to be continued, unmolested, for ever by Your Highness' illustrious Grand Father, Sri, Krishnaraja Wodier Bahadur. (Vide Nirupa of 13th Feb: 1812)

4. That in the year 1819, contrary to the aforesaid Sanads the annual cash grant of 143 Pagodas of Dasarahalli Village appears to have been with-held by an order dated - 21-8-1819, under what circumstances and for what reasons - the Memorialist is not in a position to say, as he is not personally aware of, but however the Memorialist most humbly ventures to state that it could never be the intention of - the benign Government to permanently deprive the Durga of - this charatable endowment.

5. That this sudden stoppage of a large sum of money so seriously affected the Durga that it became very difficult for the Memorialist's predecessor- the Late Khan Bahadur Syed Gouse Sha Khadri, to manage the Institution consistently with its ancient fame and dignity and he had consequently to run into debts, every year, until at last all his private landed properties became heavily encumbered and even sought the aid of Government shortly before his death, for a loan of Rs.20000/- to redeem all his properties, notwithstanding his unceasing attempts, all his life time, to get back the suspended cash grant aforesaid.

6. That since the Memorialist succeeded to the management he has been compelled to supplement the Durga Funds with large sums of money out of his own pocket every year to meet the increasing demands, as more than 10,000 pilgrims, coming from all parts of India, have to be fed at the annual festival of Urus - not to mention the requirements to meet the daily visiting devotees throughout the year.

7. Wherefore Your Highness's humble Memorialist, while gratefully acknowledging the most liberal monthly payment of Rs. 50/- lately sanctioned, feels himself sorely pressed , by

the

the present crippled resources of the Durga to approach Your August Highness, with their humble prayer, that it may please Your Gracious Highness to order the restoration of the cash grant of 143 Pago as so long with-held with arrears up to the date of payment, and thus place the Durga above want, so that its devotees may be perpetually praying for the prosperity of the Distinguished Royal Family of Mysore and Your Highness' long life for ever and ever.

to him made a strong appeal to the Govt.

(4) To maintain the high prestige of the holy shrine and his own dignity he continued the charities & feeding as liberally as formerly - His continued liberality involved him in debts; to clear which he had to sell & dispose finally all his rich personal estates.

(5) The saintly character & the public estimation of this Sajjada may be known from a kind perusal of a true translation of a letter of H H Sri Krishna-raj Wodyar Bahadoor attached to this.

(6) Since my succession care is taken to improve finances; the cash grant @ Rs 50 per mensem recently sanctioned by the Govt of H. H. in consideration of the Dargah's Sandal claim can hardly go to supplement the expenditure which runs above the limited income.

(7) The increased expenditure is due to the cost met for the increased establishment, the feeding & charities of increasing numbers of pilgrims.

(8) Their coming from various parts of India proclaim the holiness of the Shrine & the fame mysore - The fee &

H H's

(9) It is worth mentioning that this Darga with its limited income feeds & distributes charities, to more than 12000 pilgrims, while other mutts or makhams whose income is equal in proportion are not charitable to this extent.

(10) No other makam or mutt is frequented by devotees & pilgrims in such large numbers, nor do Hindus & Mahomedans both go or mingle in worship with equal devotion; while as a fact they disagree in religious matters elsewhere or where they are.

(11) The former Sovereigns had particular devotion towards this holy shrine as is seen in their 'Nirups', which enjoin regular puja & special prayers to the Gracious Almighty for the welfare of the Sovereignty.

(12) The income to Hindu mutts, is very great from their disciples who are mostly rich - The Darga's income from this source is very poor, while it is more liberal in its charities.

All these circumstances are worthy of H. H's gracious consideration and the Darga in its present condition is entitled to his generous support so

Dear Sir

I have the honour to inform you that I have since submitted to H, H the maha Raja my memorial for the renewal of a cash Inam of 143 pagodas stopped unlawfully from 1819

The following are some additional grounds of importance which I hope you may be good enough to note as useful in the disposal of the memorial in question.

(1) Rich endowments were granted at a time immemorial when the prices were exceedingly cheap.

(2) By the stoppage of even the cash Inam of 143 pagodas from 1819, and owing to the high prices now a days prevailing, the financial condition & charities of the Darga, have greatly suffered.

(3) my predecessor-Sajjada Syed Gous sha Khadri was too pious, and devoted more to God's Service. His protests against the unlawful stoppage of the Cash Inam resulted in no good. He does not appear

improve.

Hoping to be kindly excused for the trouble given you in the cause of a holy shrine where prayers are being offered to the Almighty for the good of H H, his state & the officers administering it.

Yours faithfully

Read again :-

Govt Pro. No. 1235-47, dated 24th August 1906, sanctioning a cash grant of Rs. 50/- per mensem to the Bababudan Swami's Darga on the Bababudan Hills in the Chikkamagalur Taluk.

Memorial Regd. No. 1574, dated 15th September 1907, addressed to H. H the Maharaja by Syed Mustyuja Shadi, Sajjada of the Darga, praying for the revival of the cash grant of 143 pagodas formerly made in favor of the institution.

Order thereon :-

A cash grant of Rs 50/- per mensem was sanctioned in the Govt Order of the 24th

August 1906 read above to the Bababudan Darga in view to supplement the income from its main village of Suraguppe, which was found inadequate to meet the increased expenditure for feeding the large number of pilgrims, both Hindus and Mohomedans, resorting to the Institution. The Sajjada now represents in his present Memorial to His Highness that even after the cash grant of Rs 50/- referred to above was sanctioned, the limited income of the Darga is hardly sufficient to meet the growing needs of the Institution and that therefore, he is compelled to supplement it with large sums of money out of his own pocket, and prays that the annual cash grant of 143 pagodas, ~~being the~~ sanctioned in the year 1892 in lieu of the

~~revenue of the~~ inam village
of Dasara halli and withheld in
1819, may be restored and
restored to the Darga.

2 The Govt observe that of H H the Maharaja
at this distance of time, it is
not possible to ascertain why
the cash grant of 143 pagodas
referred to by the Sajjada
was discontinued. As they are
however inclined to think
that the representations of the
Sajjada as to the heavy per-
sonal expenditure to which
he is unavoidably put in
feeding the large number of
pilgrims of both the Hindu
and the Mohomedan religions
who resort to the darga are
well founded, they are pleased to
~~increase~~ increase the
~~grant~~ cash
grant to Rs 100/- per mensem,

~~to the Institution~~ with effect from 1st July 1908.
the ~~emoluments~~ offered & grant. The
Comptroller to Govt is requested
to include the sanctioned additional sum
of Rs ~~1000~~ 600 per annum in the
Muzrai Budget of the year 1908 09.
as a grant from State Funds and
to authorize payment thereof to
the Sajjada from 1st July 1908. This
viz Rs 1200/- per annum
provision should continue to be
made in the Budgets of future years.

3. The Superintt of Inam Settlements is requested to register the additional grant now sanctioned in the name of the Mathadhipathi & issue a fresh Title Deed therefor

4. The Govt further observe that the Sajjada is under a misapprehension as to the nature of the cash grant of Rs 50/- sanctioned in the Proceedings of the 24th ~~December~~ August 1906 read above when he says ~~in his memorial made to Govt~~ that the grant was made ~~in lieu of the dharmadayas to the sandal~~ "in consideration of the Darga's sandal claim." Such a claim was made ~~before Govt~~ once in 1900, and

again in 1906, and on both those occasions, it was definitely decided that ~~that~~ the right could not be conceded to the Dargah. The Sajjada will again be informed that the grant of Rs 50/- referred to above was in no sense made in consideration of his sandal claim which the Govt declined to recognize.

THE MAHARAJA OF MYSORE

MUZRAI

PROCEEDINGS

Dated 21st December 1907

No. 2927-30
Muz. F. 33 of 1901

Sanctioning, with effect from 1st July 1908, an additional cash grant of Rs. 50 per mensem to the Bababudanswami's Darga on the Bababudan Hills in the Chikmagalur Taluk.

GPE—13-1-08—200

Proceedings of the Government of His Highness the Maharaja of Mysore, Muzrai, dated 21st December 1907.

READ AGAIN—

Government Proceedings No. 1235-47, dated 24th August 1906, sanctioning a cash grant of Rs. 50 per mensem to the Bababudanswami's Darga on the Bababudan Hills in the Chikmagalur Taluk.

Memorial Registered No 1574, dated 15th September 1907, addressed to His Highness the Maharaja by Syed Mrutyuja Sha Khadri, Sajjada of the Darga, praying for the revival of the cash grant of 143 pagodas formerly made in favor of the institution.

No. 2927-30—Muz. F. 33 of 1901, dated Bangalore, 21st December 1907.

ORDER THEREON.—A cash grant of Rs. 50 per mensem was sanctioned in the Government Order of the 24th August 1906, read above, to the Bababudan Darga, in view to supplement the income from its inam village of Suraguppe, which was found inadequate to meet the increased expenditure for feeding the large number of pilgrims, both Hindus and Mahomedans, resorting to the institution. The Sajjada now represents in his present memorial to His Highness that even after the cash grant of Rs. 50 referred to above was sanctioned, the limited income of the Darga is hardly sufficient to meet the growing needs of the institution, and that therefore he is compelled to supplement it with large sums of money out of his own pocket, and prays that the annual cash grant of 143 pagodas sanctioned in the year 1802 in lieu of the inam village of Dasarahalli and withheld in 1819, may be revived and restored to the Darga.

2. The Government of His Highness the Maharaja observe that, at this distance of time, it is not possible to ascertain why the cash grant of 143 pagodas referred to by the Sajjada was discontinued. As they are, however, inclined to think that the representations of the Sajjada as to the heavy personal expenditure to which he is unavoidably put in feeding the large number of pilgrims of both the Hindu and the Mahomedan religions who resort to the Darga, are well founded, they are pleased to increase the cash grant to Rs. 100 per mensem, with effect from 1st July 1908. The Comptroller to Government is requested to include the sanctioned additional sum of Rs. 600 per annum in the Muzrai budget of the year 1908-09 as a grant from State Funds and to authorize payment thereof to the Sajjada from 1st July 1908. The provision, *viz.*, Rs. 1,200 per annum, should continue to be made in the budgets of future years.

3. The Superintendent of Inam Settlements is requested to register the additional grant now sanctioned in the name of the institution and issue a fresh title-deed therefor.

4. The Government further observe that the Sajjada is under a misapprehension as to the nature of the cash grant of Rs. 50 sanctioned in the Proceedings of the 24th August 1906, read above, when he says that the grant was made "in consideration of the Darga's sandal claim." Such a claim was made once in 1900, and again in 1906, and on both those occasions, it was definitely decided that the right could not be conceded to the Darga. The Sajjada will again be informed that the grant of Rs. 50 referred to above was in no sense made in consideration of his sandal claim which the Government declined to recognize.
